

PAINT PROTECTION

The most important product for your vehicle.

The first cut is the deepest. On your vehicle, that is! The pain of having a small pebble or rock damage your brand-new vehicle... Ouch! It really hurts...! Paint Protection has many benefits which include preserving your paint, protects integrity of the vehicle, and increases resale value. We offer different paint protection packages for every budget. Our paint protection has a 5-year warranty and installed right here on our property with our factory trained installers.

Front Protection Package (Full Hood w/Front Bumper) -\$1299

Door Protection Package (Door Edges w/Cups) -\$399

Mirrors Protection Package (Side Mirrors) -\$149

*Complete Paint Protection Package - \$1689 (Savings over \$150)
