

Upgraded to LIFETIME Software Updates

Lifetime free software updates are now standard on UltraDiag, ArtiDiag900 Lite, ArtiDiag800BT 2 and ArtiDiag700. Applies to new inventory AND units already sold. Existing owners get lifetime updates automatically once they connect to the internet and download their next update.
No cost, no renewal, no fine print.

UltraDiag

8" Bidirectional Diagnostic & Key Programming Tool

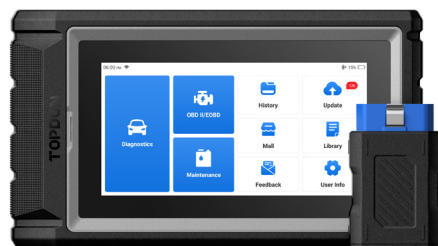

Bluetooth wireless diagnostics with magnetic VCI means full mobility with no cord
Key programming across 40+ brands, with FCA AutoAuth/SGW access for Chrysler, Dodge, Jeep, and Fiat
